

Bali Tulip ~ Homely & Affordable

Bali Tulip Vacation Home (B-TV-Home) is a smart property featuring just 18 rooms and supporting facilities. This property is conveniently located for business and pleasure. It is a lively area that is a colourful mix of commercial and residential activities for members of the local community.

The B-TV-Home lobby

The B-TV-Home is located 40 minutes from the International Airport Ngurah Rai (Code DPS), 15 minutes from Central Denpasar and a quarter of an hour from the vibrant tourism hotspot of Seminyak. It is well placed for guests, looking to experience local sites of interest and the island's unique cultural heritage.

The B-TV-Home has implemented a home away from home hospitality concept where guests can enjoy friendly service and are treated like family. There is ample space at the front of the hotel for private vehicles.

It is an inexpensive option for families, small groups, business executives and students visiting the island of Bali.

The B-TV-Home bedroom

Each room has been styled for comfort and comes with air-conditioning, television and additionally other essential conveniences such as a mini bar and free Wi-Fi coverage.

The B-TV-Home bathroom

The en-suite B-TV-Home bathroom is a modern facility featuring a practical shower recess and wash basin.

As a result, with only 18 rooms, spread across two levels, the B-TV-Home has been thoughtfully designed for short and/or long term stays.

It provides a restful base to return to after spending time conducting business or enjoying the cultural sites that the island of Bali has to offer.

All guests are free use the hotel's kitchen to prepare snacks or even cook their own meals. This is the ideal solution for travellers on a budget or anyone with special dietary needs.

The B-TV-Home open terrace

Groceries can be purchased from the nearby supermarket. Furthermore, our professional team on hand is to lend you a hand.

The B-TV-Home anticipates the needs of its guests with standard facilities to enhance the quality of each and every stay here in Bali.

The B-TV-Home kitchen

The B-TV-Home-kitchen area is available for guests to cook their own meals like at home.

The B-TV-Home lobby provides an inviting space to check in or just have a seat: enjoy sitting there and chat with your friends.

There is also an open terrace for the guests with additional table settings on the veranda to relax outdoors against a backdrop of tropical greenery.
